

## Early Release Information

We have several students who will be signed-out early by parents. We wish you and your family the best in the remainder of your vacation and safe travels back to Canton. Below is some information regarding the early release of students. If you have any other questions referring to this, please contact Mr. Speiden.

- Students will be allowed to be released from the **Band Trip** on Wednesday, April 12<sup>th</sup> before we depart for Canton (around 10:00pm). Students **will not** be allowed to be released until this time.
- The map below shows the parking map of Disney's *Epcot*. Our charter buses will be located in the Bus Staging Lot. Parents should meet our group at this parking lot at the time indicated above.

- Luggage should be picked up at the Rosen Hotel the morning of Wednesday, April 12<sup>th</sup> before we depart for *Epcot* (~8:30am). If parents cannot make it at this time, parents can coordinate with the Rosen Hotel their Bell Service which may be utilized for a later pick up time. Students being released early **will not** be able to have their luggage on the bus as we will not be opening up the lower storage compartments.
- Students should coordinate with students to ensure their instruments are returned to the high school if students are not taking their instruments home with them.
- Mr. Speiden will have all early release forms. The student, parents, Mr. Speiden, and a chaperone must be present when this form is signed.
